

## DEFFA Scholarship-matching Application for CDSS Camps

*DEFFA is offering an opportunity for its members to apply for a \$350 scholarship to a Country Dance and Song Society (CDSS) camp (more info at [www.cdss.org](http://www.cdss.org)). These funds will most likely be matched by CDSS (but not guaranteed). Additional financial assistance is available through a work scholarship, which has a separate application form.*

*We are giving preference to those who are up-and-coming leaders, musicians, callers, or administrators—someone who would be enriched by the experience of a CDSS camp, who will put into action the information they learn at CDSS programs, and who have a commitment to DEFFA and are interested in helping further its mission.*

*The person who receives this scholarship will be asked to give back to their community in some way—perhaps leading a workshop, writing a column for the DEFFA newsletter, etc.*

*DEFFA's Outreach Committee will choose one applicant and forward their application to CDSS. If CDSS will not match the funds, DEFFA will still offer \$350 to the chosen applicant. If interested, please fill in the information below:*
