**Join us in supporting traditional dance,
music, and song communities across Maine!**

By donating you help make the following possible:

- Keep people informed about what's happening in dance and music around the state via an online calendar and a monthly newsletter (in both online and print form)
- Maintain an online map of regular events in Maine [coming soon]
- Provide a Maine performer directory
- Support scholarships to traditional dance/music camps
- Serve as a fiscal sponsor for individuals and groups pursuing grants

And, of course, our very own **DownEast Country Dance Festival**
